— AND SONS est 1860 —

The Commercial Refurbishment  
and Office Fit-Out Specialists

# About Us

At A Wilson and Sons, we specialise in all aspects of commercial building refurbishments and office fit-outs. We are a family-run business with over 150 years experience in delivering projects throughout London and the South East.

We provide a fully comprehensive service, managing all aspect of projects from start to finish. With our team of highly skilled Tradesmen and Site Managers, we ensure each project is carried out to the highest standards. Our experienced Project Managers consistently deliver projects on time and on budget, ensuring client satisfaction throughout.

Every project is unique, we pride ourselves on taking the time to truly understand our client's needs and vision to enable us to deliver the desired results. Our services can include space planning and interior design to ensure the best use of space with the most suitable solutions. Our highly skilled teams will deliver a quality finish to produce impressive results, bringing the design to life. We manage your project from inception to completion, taking the pressure off, what can be a difficult change for a company to undertake.

# Why Work With Us?

We stand out from the competition by employing our own team of highly skilled Tradesmen and Site Managers, ensuring that our clients always have access to our team.

Working in partnership with your team we provide the advice you need to overcome technical challenges to deliver innovative solutions.

We provide a client focused service by allocating to you a dedicated project manager, allowing for consistency and familiarity through project delivery.

We are a family-run business with over 150 years experience in the industry, so you can be assured of our stability and integrity. We find that because of this, clients continue to use our services year after year.

## Our Services

- Full Project Management
- Refurbishments
- Office Fit-Outs
- Space Planning & Design

# Our Values

Our values are commitments that we make to ourselves and to our customers

## Client focused

Understanding of our client requirements and exceeding expectations

## Taking pride in the quality of our work

We are proud of the high quality workmanship that our specialist tradesmen and approved sub-contractors achieve

## Expertise and knowledge

We provide our customers with sound technical advice and direction

## Professional and efficient

Acting in a professional manner with simple and efficient processes

## Teamwork and respect for each other

Working together to achieve a shared goal

# Accreditations

Regulated by the top industry safety accreditation schemes.

We hold accreditations from the most recognised industry safety regulators - Safecontractor, Constructionline and Achilles. These organisations ensure that we achieve excellence in health and safety and provide our clients with the added reassurance that our processes for risk management are of a high standard. We take health and safety very seriously and are fully committed to a process of continuous improvement in the pursuit of excellent Health and Safety standards. We have a dedicated team to ensure that industry standards and HSE guidelines are met and adhered to on every project we undertake.

We are also members of the Federation of Master Builders, a recognised trade association supporting high quality building companies.

*"Having the stamp of approval from Safecontractor, Constructionline and Achilles means a lot to us. It proves our commitment to health and safety and ensures that we have a uniform standard across the business. It also gives our clients the added reassurance that we have integrated processes for good risk management and high standards of health and safety procedures."*

**John Wilson, Chairman**

# Our Services

## Project Management

Our experienced Project Managers will ensure that your project is delivered on time and on budget. We offer a fully integrated service from inception, planning and design through to project completion & handover.

Our services include:

- Design verification for proposed works
- Budget management, providing full cost transparency to our clients
- Planning & programme management, ensuring client operational requirements are taken into consideration
- Health & Safety management & co-ordination using HSE guidelines as best practice.
- Full client & stakeholder engagement, reporting on progress of works.
- Site management, a hands on approach to works onsite, ensuring contractors work to our company values.

## Consultation, Space Planning & Design

We are passionate about truly understanding our client's needs and vision for their work space. Our initial consultation with you is to learn about your company, culture, and the way you work. We can then work together to create a design that will optimise your workspace, conducive to an efficient and enjoyable working environment.

## Office Refurbishment & Fit-Out

Specialising in office refurbishments and Fit-Outs, aside from our in-house team of Tradesmen and Site Managers, we have a large network of specialist sub-contractors and suppliers. We are able to co-ordinate complicated and large scale refurbishments, with minimal disruption to clients business operations.

Included in our office refurbishment / Fit-Out service:

- Strip out of existing fixtures and fittings
- Space utilisation
- Internal and external structural changes
- Partitioning works
- Suspended ceilings and mezzanine floors
- M&E/HVAC works
- Plumbing installations
- Specialists in kitchen / bathroom design and installation
- Bespoke joinery solutions
- Decoration and interior finishes
- Furniture supply and installation
- IT solutions

# Clients and Testimonials

*"I have worked with A Wilson and Sons for many years and continue to use them as I know I can trust them to deliver good results. They really care about their clients and aim to exceed their expectations on every project. They make my life easier by providing regular updates, which is reassuring to know that the job is being effectively managed."*

**Keith Tabley, Estates and Facilities Manager, Christie's**

*"A Wilson and Sons always do their best to satisfy their clients' needs, something which was truly shown on this job. We pushed them to finish the job ahead of schedule and they worked with me to alter the programme to make this possible. A Wilson and Sons were able to complete the job two weeks early, without compromising on the quality of the finished project."*

**Justin Ansell, Stimpsons Chartered Surveyors**

*"The workmanship, planning and execution of the work was to the highest standard."*

**Operations Director, Anabas**

*"As a building consultant I have worked with A Wilson and Sons on a number of fit-out projects for the NSPCC and have always found them and their operatives, professional, helpful and a pleasure to work with."*

**Martin Rymer, ProMission**
